ZENITH COLOR PRIMER SYSTEM STARTER PACK PROMOTION

For a limited time, you can get great discounts on the Zenith® Color Primer System. Ask your local Jobber about discounts on pour-off orders and starter packs.

Valspar's CPS products form an outstanding system. You get one coat coverage, colored primers for virtually all refinishing applications, and 64 matched colors give you more than adequate color options - all from just five toners. With this promotion, Valspar is giving you an unbelievable opportunity to get started with the system. Ask your jobber for more details!

Any of the of the 999 Series Urethane, Epoxy or Enamel neutral-bases qualify. When you get started with the CPS system, you will soon discover why CPS users stay loyal to the products.
